Re: Edwards for President: FBC Id. No. C00384073, Amended February Monthly Report

Dear Ms. Palmer,

This is in response to your letter requesting additional information pertaining to the above-listed report of Edwards for President (the Committee). The following sections are headed to addresses the issues raised in your letter.

#### Contributions

You have requested additional information on the reattribution, redesignation, or refund of certain contributions that are so marked in your request. The Committee has reviewed the contributions noted by you and is providing the following information. Because this response must be filed electronically, a copy of the Committee's report and checks will be provided under separate cover.

With respect to sixteen (16) of the contributions noted, the Committee made inadvertent attribution mistakes. In each of these cases, the Committee received a contribution from a joint checking account or a joint credit card contribution on the Internet and did not split the contribution correctly between the joint account holders or the wrong portion was attributed. Unfortunately, due to our data entry errors, the contributions appeared to be excessive when they were not. These are contributions from Bird, Brantley, Bruegger, Carmouche, Craige, Cusack, Delaney, Engiehart, Eudy, Gaybus, Howell, Hurst, Lenahan, Levin, McCall, and Woodson. Amendments of previous reports will be filed to correct the public record pertaining to all sixteen (16) of these contributions. Copies of the checks will be provided under separate cover.

**EDWARDS FOR PRESIDENT, INC.** • P.O. Box 300094 • Raleigh, NC 27622-6034 • 888-292-2104 • [www.johncdwards2004.com](http://www.johncdwards2004.com)

*Paid for by Edwards for President, Inc. Contributions to Edwards for President, Inc. are not deductible for federal income tax purposes.*

In one case, the Commission has confused two different contributors with the same name. The contributions from John Collins are from two separate individuals at two separate addresses. We will provide copies of these checks.

In another case, the Commission has confused two family members with the same name as the same person. Joseph A Power, Jr., contributed only once to the Committee; the second contribution noted by the Commission belongs to Joseph A Power, III. We will provide copies of these checks.

With respect to the contributions from Tom Ervin, the Commission has taken one contribution into consideration twice. There are two contributions from Tom Ervin, one for \$250 (contributed on November 18, 2003) and another for \$2,400 (contributed on December 31, 2003), of which \$650 was reattributed to Kathryn Williams. The third contribution on January 22, 2004, for \$1,750 noted by the Commission is not a new contribution but actually represents the reattribution date for the original \$2,400 contribution on December 31, 2003.

An additional twenty-four (24) contributions were also refunded. These are Ballard, Bronson, Brooks, Budd, Butler, Byres, Coker, Cole, Dark, Haas, Hnat, Hyman, Kenneally, Latherow, McCullough, McLanahan, Montgomery, Montroy, Murphy, Olsky, Resnick, Sandrich, Spodnick, and Strimatter. Seven (7) of these refunds are reflected on the April Monthly report, and the remaining seventeen (17) will be reflected in the June Monthly. These checks will be provided under separate cover.

As for the contributions found excessive past the sixty days, the Committee has always intended to fully comply with the reattribution, re-designation, and refund provisions set forth by the Commission. We acknowledge that the Commission views excessive contributions as a serious issue, and we have taken steps to deal with them accordingly.

#### Transfer of Receipts from Edwards for Senate Committee

The transfer noted was of excess campaign funds from the 1998 election cycle, thus the Committee is not required to aggregate or itemize these contributions under the regulations. See 11 CFR Sections 104.3(a)(4)(iii) and 110.3(c)(4). See also Campaign Guide for Congressional Candidates and Committees pp. 62-63.

#### Debt Payments

The entries will be corrected on the amended return, dated May 27, 2004. Of the specific payments noted by the Commission, all but one were data entry errors that have

been corrected. For the Verizon payments, however, a credit memo was issued for several of the outstanding invoices, which is noted on the debt schedule as "credit memo issued." This was due to the fact that the Committee consolidated cellular phone plans into one bulk account, thereby reducing the monthly rate. The Committee received credit for the rate differences.

I hope that this information is sufficient for your review. However, should you desire any additional information please contact our Counsel Lyn Utrecht at 202-778-4007.

Sincerely,

Julius Chambers

1/23/2004

Dear: Chris Brantley

Thank you again for your generous contribution dated 9/23/2003, check numbered 2494, for \$1,000.00. I am writing because you may be able to help the campaign more without any additional cost. Presidential primary candidates are entitled to receive federal funds from the Presidential Primary Matching Payment Account in an amount up to \$250 from an individual contributor.

Your contribution to Edwards for President was on a joint account. If we obtain the signature of both accountholders, we can submit a matching fund request for each accountholder thereby maximizing the amount of your contribution. We have already submitted a matching fund request in the name of the accountholder who signed the check.

Please take a moment to read the statement below and sign on the line provided. Contributions are critical to the campaign, and maximizing federal matching funds is of equal importance. I appreciate your help.

Sincerely,

Jay Peterson

I hereby verify that the contribution described above was intended to be a joint contribution and \$500.00 should be attributed to each of us.

Dear Howard,

Several months ago you made a generous contribution to my campaign for re-election to represent North Carolina in the United States Senate. As you may know, I have since decided to devote my full efforts to seeking the Presidency of the United States, and I have ended my re-election campaign for the Senate.

I hope that you will continue your support of my efforts by redesignating your contribution to my Presidential campaign committee. In order to do so, you must sign the authorization that appears below and return it to Edwards for President by mail or fax. (As an alternative to redesignating your contribution, you may request a refund.) We are operating under a time deadline for completing this process. Please rush your response so that we receive it by November 1, 2003. A member of my staff will be following up with you in the coming days.

Thank you for your support.

Sincerely,

John Edwards

Dear: Kathleen Delaney

Thank you for your contribution to Edwards for President. The Committee deeply appreciates your support.

To receive federal matching funds, a signature is required by each individual LLC member to whom the contribution is attributed.

Please take a few moments to complete the information below and return this entire letter to the Committee in the enclosed postage paid envelope. Thank you once again for your support.

Sincerely,

Jay Petterson

# JOHN EDWARDS PRESIDENT

1/28/2004

Dear: David Garbus

Thank you again for your generous contribution dated 3/14/2003, check number 5869, for \$500.00. I am writing because you may be able to help the campaign more without any additional cost. Presidential primary candidates are entitled to receive federal funds from the Presidential Primary Matching Payment Account in an amount up to \$250 from an individual contributor.

Your contribution to Edwards for President was on a joint account. If we obtain the signature of both accountholders, we can submit a matching fund request for each accountholder thereby maximizing the amount of your contribution. We have already submitted a matching fund request in the name of the accountholder who signed the check.

Please take a moment to read the statement below and sign on the line provided. Contributions are critical to the campaign, and maximizing federal matching funds is of equal importance. I appreciate your help.

Sincerely,  
  
Jay Peterson

I hereby verify that the contribution described above was intended to be a joint contribution and \$250.00 should be attributed to each of us.

JOHN EDWARDS PRESIDENT

1/28/2004

Dear: David Garbus

Thank you again for your generous contribution dated 3/14/2003, check numbered 5869, for \$500.00. I am writing because you may be able to help the campaign more without any additional cost. Presidential primary candidates are entitled to receive federal funds from the Presidential Primary Matching Payment Account in an amount up to \$250 from an individual contributor.

Your contribution to Edwards for President was on a joint account. If we obtain the signature of both accountholders, we can submit a matching fund request for each accountholder thereby maximizing the amount of your contribution. We have already submitted a matching fund request in the name of the accountholder who signed the check.

Please take a moment to read the statement below and sign on the line provided. Contributions are critical to the campaign, and maximizing federal matching funds is of equal importance. I appreciate your help.

Sincerely,

JAY PETERSON

Jay Peterson

I hereby verify that the contribution described above was intended to be a joint contribution and \$250.00 should be attributed to each of us.

Dear Paul,

Several months ago you made a generous contribution to my campaign for re-election to represent North Carolina in the United States Senate. As you may know, I have since decided to devote my full efforts to seeking the Presidency of the United States, and I have ended my re-election campaign for the Senate.

I hope that you will continue your support of my efforts by redesignating your contribution to my Presidential campaign committee. In order to do so, you must sign the authorization that appears below and return it to Edwards for President by mail or fax. (As an alternative to redesignating your contribution, you may request a refund.) We are operating under a strict deadline for completing this process. Please rush your response so that we receive it by November 1, 2003. A member of my staff will be following up with you in the coming days.

Thank you for your support.

Sincerely,

John Edwards

REDESIGNATION AUTHORIZATION

I wish to redesignate my contribution of \$2,000 to Edwards for President. This contribution will count against my \$2,000 contribution limit, which is the maximum amount that I may legally contribute to Senator Edwards' 2004 Presidential primary campaign.
